Subject: Dimock Status Report: please get bullets to JohnJ Butler by 1:30 today (and cc me)

Shawn has asked for information early from us today (understanding that things will still be in motion as of 1:30) so please get what we have to John by 1:30pm. Also, I would appreciate an update later in the day, say by 5pm, of any new developments that I could forward to the 16th floor. thanks, Kathy
